# SUPPORT SOCIAL RESPONSIBILITY

A **Christian Covenant, 12 step group** that provides a spiritual approach to addiction and life's difficulties. We offer an intimate group for anyone who may be suffering or who has a loved one who is suffering..

Geared toward creating a safe space for members of the community currently in crisis and struggling to find resources, encouragement, and guidance during a turbulent time in their lives. Our support network provides discussion on drug/alcohol abuse while focusing on mental health and wellness, not punitive discipline.

Jesus taught and offered radical compassion and stood up for the marginalized. Here at Hand in Hand, we want to continue Jesus message and provide a safe place to ask and receive answers to your questions, including the tough ones.

**Our program delivers measurable results to our program participants and sponsors alike. When you become an individual or corporate sponsor, you are impacting not only the lives of our program participants but the lives of their loved ones. Added bonus, our corporate sponsors garner exposure opportunities as we share the impact their sponsorship has made.**
